CORE PROCUREMENT CAPABILITIES

Government Supply Sourcing & Fulfillment

Commonly required government products sourced through qualified manufacturers, distributors and suppliers, quoted in writing and fulfilled to the required destination.

- Janitorial and safety supplies
- Emergency and hurricane-response supplies
- Program supplies such as car seats, portable cribs and safe-sleep kits
- Other commonly requested government items, sourced to specification

Grounds & Landscaping Contract Support

Grounds and landscaping requirements fulfilled through qualified service contractors engaged for the requirement, with Procuredex managing scope review, quotation, scheduling and coordination.

- Mowing, edging, trimming and weed control
- Landscape-bed maintenance, mulching and litter removal
- Right-of-way mowing
- Seasonal and storm cleanup

Facility & Maintenance Supply Fulfillment

Facility and maintenance products sourced and delivered to facility, dock or job-site locations.

- Maintenance, repair and operations (MRO) supplies
- HVAC filters and parts
- Hardware, locks and security hardware
- Plumbing and electrical supplies

Local Service Coordination

Customer-facing management of selected facility-support and field requirements in the Tampa Bay area.

- Exterior maintenance and selected facility-support scopes
- Scope review and site coordination
- Scheduling, communication and issue resolution
- One written quote and one invoice

Spanish-Language Support

English-Spanish interpretation and bilingual support.

- Over-the-phone (OPI) and video remote (VRI) interpretation
- Interpretation for immigration proceedings (interpretation only)
- Florida notary public, in English or Spanish
- Bilingual field documentation by a Florida-licensed insurance adjuster
